UNFINISHED BUSINESS:

ASSOCIATED REGISTRY LINK TO THE WEBSITE –

Eric Baro from AR put on a presentation on the new sheep search that the Associated Registry has created and that we can link to our website. This will give the opportunity for members to search for sheep / breeders / register sheep / renew memberships all online through the portal. We did notice a conflict with the membership renewal date the AR is posting on their paperwork and the new link. Eric will look into getting that changed to match our dates of 6/30 – 7/1. Final question for the AR is the costs. Eric is to take that back to the office and have them send that to us.

NEW WEBSITE PROSPECT –

We discussed the form that was required to send into Novel Designs, along with a deposit, to get the new website going. The board voiced their opinions and Cinda filled out the form as the discussion progressed. This form will then be sent to Novel Designs this week to begin our new website project.

SCAN FOR LOIN EYE AT SEDALIA –

We will need an individual to scan the sheep for loin eye at Sedalia. This will need someone that has experience and is accurate in measuring. Judy St. Leger will be searching for this person.

NEW BUSINESS:**2025 SHOW EDITION of the TEXEL TIMES –**

Editor Theresa Crowley released the 2025 Show Edition of the Texel Times and was distributed to all TSBS members on 12/29/2025.

2026 MIDWEST RAM SALE CHANGES –

Discussion was held on the 2026 Midwest Ram Sale and all the changes that will be taking place. The big concern is the mass number of sheep going through the sale ring and that it will deter the sales of all.

TSBS DOCUMENTS –

Olivia Halbur has been working on a project cleaning up the bylaws and locating all documents related to TSBS. We are currently in search of a copy of Articles of Incorporation and Constitution.

FRAUDULENT EMAILS -

There have been several scammer emails floating through the membership using Crystal's name. Cinda will send an email to all members to let them know to disregard and delete these emails.

Next meeting will be held February 19th – 7 p.m. EDT.

Theresa Crowley moved that we adjourn the meeting. Judy St. Leger second the motion. All approved and motion passed. Crystal Retzlaff adjourned the meeting.
